

Sub-Committee  
Work Plan for February 2005

*Sub-committees meet during February to discuss and make recommendations to the Early Childhood Council meeting in March on the following tasks:*

1. Identify co-chairs for the sub-committee
2. Begin review of the objectives
  - Are they still relevant?
  - Do the objectives reflect priorities and needs?
  - Are objectives inclusive of parent education, family support, mental health, child care and health?
  - Do the objectives support a systems' approach?
  - Are the objectives measurable?
  - How will you measure/evaluate whether objectives have been met?
3. Identify possible recommendations for new objectives or change/deletion of current objectives
  - Rationale for new objectives or change/deletion of current objectives

***During the March meeting, sub-committees will be asked to present on the following:***

1. Who are the co-chairs?
2. Review of current objectives and rationale for keeping, deleting, or adding new objectives by addressing the following for each objective:
  - How objective supports priorities and needs
  - How objective supports a systems' approach
  - How objective is inclusive of parent education, family support, mental health, child care, and health
  - How object will be measured
